

PATIENT VISIT CHECKLIST

Your photo ID

Your current insurance membership card(s)

Copay and any balances due

If your insurance requires a referral, please check prior to arrival that we have received it

A list of all medications you are currently taking, both prescribed and over-the-counter

All relevant film or discs

Any relevant prior medical/surgical/audiological records

New patients are asked to arrive 15 minutes prior to your appointment time. We ask you fill out the new patient paperwork at home and bring the completed forms to your appointment

You may want to bring a family member or caregiver with you

If you know American Sign Language (ASL) and would like an interpreter to be provided for your appointment, please notify us at least two weeks prior to your appointment so we can arrange this service
